

CRUISE COMPASS

Serenade of the Seas

DAY 2 Saturday, November 18, 2017
Key West, Florida

ENJOY THE MELLOW VIBE AND LIVELY LEGENDS OF KEY WEST

Being closer to Havana than to Miami, Key West has a unique charm that's a little Florida, and a lot Caribbean. The southernmost city in the continental U.S. began as a part of a Spanish colony, but it was Cuban and Bahamian fishermen who settled its shores. In the 19th century, the city made a fortune from making cigars and salvaging shipwrecks (all that sunken treasure off the coast). Key West became Florida's wealthiest city, and the Cubans and Bahamians kept arriving by the numbers. Soon the Caribbean flavor and laid back lifestyle of Old Key West began luring a whole generation of writers, artists and free-spirited types. Both Tennessee Williams and Ernest Hemingway found their muse here in Key West. Nowadays, the "Conch Republic" still inspires all who visit. Many never leave. The island's historic Old Town is best explored on foot. Stroll along colorful Duval Street, lined with quaint shops, cafés and lively bars. Visit Casa Antigua, the former residence of Hemingway. Kayak through the nearby canals. Or do as the locals do. Just relax.

NOTICES

Helpful Health Information - Medical experts tell us that the best way to prevent colds, flu or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. If you have (or have had in the past 48 hours) any of these symptoms, please do not go to the ship's Medical Facility. Instead, go directly to your stateroom and call Guest Services by dialing "0". The nurse on duty will then return your call for a complimentary telephone consultation or stateroom visit. Treatment may be provided on a complimentary basis.

Discharge Of All Garbage Into The Sea Is Prohibited Except As Provided Otherwise - The MARPOL Convention and domestic law generally prohibit the discharge of most forms of garbage from ships into the sea. Violation of these requirements may result in penalties. All garbage is to be retained onboard and placed in the bins provided.

Smoking Policy - All indoor public spaces are smoke free with the exception of the Casino where there are designated smoking and non-smoking areas. Smoking is not permitted in staterooms or on stateroom balconies. Outdoor smoking areas are designated on the starboard side. Please also note that products such as electronic cigarettes or e-cigarettes are only permitted within designated smoking areas.

Safety Warning - Serious accidents and fatalities have occurred when guests have rented or taken independent tours involving mopeds, scooters, wave runners (jetskis). Royal Caribbean strongly recommends that guests do not participate in such activities while ashore.

Security Team Body Cameras - For the safety and well-being of all persons onboard, some members of our Security Team will be wearing Body Cameras as part of their uniform.
