

CRUISE COMPASS

Serenade of the Seas®

DAY 4 Monday, November 20, 2017
Roatan, Honduras

MEET THE MOST COLORFUL LOCALS IN THE WATERS OF ROATÁN

Dive shops abound in Roatán. Home to the world's second-largest coral reef, this diver's paradise is teeming with colorful marine life. Though just as colorful are all the characters that have passed through the sandy shores of this beautiful Bay Island. Roatán has a long and tangled history of Paya Indians, Spanish conquistadors, British pirates, rebel slaves and more recently, European and North American expats. Roatán has a very unique cultural identity unlike anywhere else on the mainland of Honduras. Everything here has been perfectly seasoned with Caribbean flavor—from the music and local cuisine to the laid back island lifestyle. Naturally, you'll want to venture out to the reefs for some world-class snorkeling or scuba diving. Old English forts and churches can offer an insight into the rocky colonial days. And when you're ready to kick back at a seaside restaurant, head into the West End Village.

NOTICES

Helpful Health Information - Medical experts tell us that the best way to prevent colds, flu or gastrointestinal illnesses - such as a Norovirus that can be transferred easily through person-to-person contact - is to simply wash your hands thoroughly with soap and warm water after restroom breaks and again before eating anything. Symptoms of Noroviruses include an upset stomach, vomiting and diarrhea. According to the United States Centers for Disease Control and Prevention, Noroviruses affect 23 million Americans on land each year. In fact, the only illness that is more prevalent is the common cold. If you have (or have had in the past 48 hours) any of these symptoms, please do not go to the ship's Medical Facility. Instead, go directly to your stateroom and call Guest Services by dialing "0". The nurse on duty will then return your call for a complimentary telephone consultation or stateroom visit. Treatment may be provided on a complimentary basis.

Discharge Of All Garbage Into The Sea is Prohibited Except As Provided Otherwise - The MARPOL Convention and domestic law generally prohibit the discharge of most forms of garbage from ships into the sea. Violation of these requirements may result in penalties. All garbage is to be retained onboard and placed in the bins provided.

Smoking Policy - All indoor public spaces are smoke free with the exception of the Casino where there are designated smoking and non-smoking areas. Smoking is not permitted in staterooms or on stateroom balconies. Outdoor smoking areas are designated on the starboard side. Please also note that products such as electronic cigarettes or e-cigarettes are only permitted within designated smoking areas.

Safety Warning - Serious accidents and fatalities have occurred when guests have rented or taken independent tours involving mopeds, scooters, wave runners (jetskis). Royal Caribbean strongly recommends that guests do not participate in such activities while ashore.

Security Team Body Cameras - For the safety and well-being of all persons onboard, some members of our Security Team will be wearing Body Cameras as part of their uniform.

2018 EUROPEAN CRUISES AVAILABLE - Visit the old continent with our amazing ships and itineraries. Stroll through the ancient streets in Rome or take a romantic gondola ride through the canals of Venice.
