Our fleet will continue to assist in the upcoming weeks, but there's still more we can do and we've committed to match donations up to 1 million dollars. You can help by donating through our trusted partner, World Vision: www.worldvision.org/royalcaribbean

NOTICES

Health Advisory - Diseases Spread by Mosquito - ZIKA virus, Chikungunya virus, Dengue fever: In order to reduce the risk of contracting any number of diseases spread by mosquito bite, including ZIKA virus (in countries where Zika virus transmission is ongoing [see <http://wwwnc.cdc.gov/travel/notices>]); Malaria, Dengue Fever (especially in the Dominican Republic, Puerto Rico, India, Mexico, and Haiti), and Chikungunya (especially in Haiti, Dominican Republic, and St. Martin [both French and Dutch sides]), travelers are urged to take precautions to avoid mosquito bites by remaining in well screened or air-conditioned areas when possible, by wearing clothing that adequately covers arms and legs, and by applying insect repellent to both skin and clothing. The most effective repellents are those containing DEET at a concentration of 20-30%.

Mosquitoes carrying the ZIKA virus may bite at all times of the day or night, but there are two peak periods of biting activity - in the morning for several hours after daybreak, and in the late afternoon, for several hours before dark. Pregnant women who are travelling to one of these affected areas may contact our onboard medical center staff, and are encouraged to strictly follow steps to avoid mosquito bites during the trip (see <http://wwwnc.cdc.gov/travel/page/avoid-bug-bites>). Mosquito repellent may be purchased in the onboard gift shop or in the medical facility.*

Discharge Of All Garbage Into The Sea Is Prohibited Except As Provided Otherwise - The MARPOL Convention and domestic law generally prohibit the discharge of most forms of garbage from ships into the sea. Violation of these requirements may result in penalties. All garbage is to be retained onboard and placed in the bins provided.

Smoking Policy - All indoor public spaces are smoke free with the exception of the Casino where there are designated smoking and non-smoking areas. Smoking is not permitted in staterooms or on stateroom balconies. Outdoor smoking areas are designated on the starboard side. Please also note that products such as electronic cigarettes or e-cigarettes are only permitted within designated smoking areas.

Security Team Body Cameras - For the safety and well-being of all persons onboard, some members of our Security Team will be wearing Body Cameras as part of their uniform.
